Think Ahead website <http://www.thinkahead.co.za/>

- Think Ahead was started in 2009 to focus on integrating Apple solutions in education. We offer an exciting choice of presentations, workshops, hands-on training sessions to identify and share best practices. Meet other iPad teachers. Workshops range across levels, grades and topics...check our calendar to register. Our mission is ensuring that iPads deliver successful teaching and learning.

iSchoolAfrica website <http://www.ischoolafrica.com/>

- iSchoolAfrica is an education initiative developed by Core Group that reaches schools across South Africa in rural and urban settings. The overall objective of the initiative is to empower teachers and students by giving them access to the world's most advanced educational technology and classroom practices. The iSchoolAfrica programme brings to schools the iPad Learning Programme and the Youth Press Team Programme. Over 30 000 learners and 900 teachers have had an opportunity to interact with the programme since its inception.

EdTechTeacher website <http://edtechteacher.org/>

- A very useful resource for teachers by teachers for professional development so that teachers can create innovative learning opportunities for their students.
