ABOUT NIKKI BUSH FOR MC INTRODUCTIONS AND USE IN EVENT MARKETING MATERIAL

Human Potential and Parenting Expert, Nikki Bush empowers individuals, families and teams in business and education to win at work, home and life. She has the knack of putting difficult, complex and sensitive topics on the table (ones we often prefer to avoid), and making them accessible, such as disruption, future-proofing, dealing with loss and adversity, team dynamics, self-leadership, parenting and more.

Nikki's book on disruption, *Future-proof Yourself* (Penguin Random House) hits the shelves in July 2021. She has also co-authored four best-selling parenting books with major publishers, including, *Future-proof Your Child for the 2020s and Beyond* (Penguin Random House, 2019), *Tech-Savvy Parenting* (Bookstorm, 2014) and *Easy Answers to Awkward Questions* (Metz Press, 2009). She has fielded almost 3 000 media interviews in the past 15 years. You may have seen or heard her on her weekly slots on Radio 702 and SABC3's Espresso among many others.

Nikki always speaks with energy, passion, self-deprecating humour and a disarming honesty and vulnerability. She packs a powerful sound bite whether from the stage or the 18 different virtual conferencing platforms she has experience with. Your audience will be left with valuable insights and practical solutions to help them to win at work and life.

Nikki is a founding member of the Professional Speakers Association of Southern Africa (PSASA), holds the international Certified Speaking Professional (CSP) designation, and was inducted into the Speakers Hall of Fame in 2019 – the first woman in South Africa to ever receive it. She was the 2020/21 President of the Johannesburg Chapter of the PSASA.
